Three Wishes Program –
You Can Make It Happen too!

Webinar

Live Staff Training   1 Hour
Family Caregivers & General Public   1 Hour

Program Description –
This will be workshop format for brainstorming to implement ideas for change. We will have individual time, group time and than come back together to share ideas to improve patient centered care for your dementia residents.

Objectives –
- List what clients want, like, and need
- Discuss how changes would be productive, fun, and life enhancing
- Develop a plan to propose change to improve the quality of life for those with dementia.
